Tournament Start and Finish Times

Tournaments held Friday through Sunday will begin at approximately 12:00 pm Friday and all championship games will be concluded by approximately 6:00 pm Sunday. Exceptions to these guidelines include Thanksgiving weekend tournaments, when play will begin at 7:00 am on Friday (or Thursday for local teams).

For Saturday through Monday tournaments, held over various holiday weekends, play will begin on Saturday at 7:00 am and all championship games will conclude by 6:00 pm Monday.

Generally, travel times are considered when setting game start times on the first and last day of the tournament, but in many cases, there will be multiple teams in a division that are traveling from out-of-town, resulting in certain out-of-town teams playing earlier in the day than others. In addition, we will generally start the younger players (mites and squirts) earlier in the day, while older players (peewee, bantam and midget) will play later in the evenings
